Eastbourne - The Sunshine Carnival

Eastbourne has been without a carnival for twenty years or so and due to the high demand for it to be reintroduced, the MP's Commission in Eastbourne are proposing the town holds a carnival in May/June 2012.

The Carnival will create a great atmosphere in the town and is a fantastic way to promote Eastbourne thus providing business opportunities for local traders.

The MPs Commission are currently looking for expressions of interest in entering the event and attached is a form for you to complete if you are interested in taking part.
