Leadership Workshop

Thursday 23rd February from 9am to 4pm
Cavendish Hotel, Eastbourne

The Chamber of Commerce and Re-Bal Leadership Development are delighted to offer you the opportunity to attend the following workshop.

This workshop is designed for Business Owners or Senior Managers who employ between 10 to 30 members of staff and circa £1M to £5M turnover. The workshop is being offered **FREE** to the first 10 businesses who book.

The greatest challenge for many SME business owners and managers is to

“Work *On* their Business - not *In* it.”

Are you too busy working to:

- Think clearly about your long term plans?
- Extract yourself from the day-to-day work?
- Get beyond year-on-year survival - plus a little profit?
- Build your business for the long term?

The second greatest challenge is often

“Getting Teams that Pull Together – starting at the top.”

Is everyone in your company:

- Pulling in the same direction?

- Committed and motivated like you are?
- Motivated by the same short and long-term goals?

Giving 100%?

Leadership Development can solve not only these but many business challenges – but it's hard to know what without engaging in the subject.

This workshop is designed to highlight:

- The relationship between leadership and business development.
- How it solves many business challenges.
- The most useful concepts of modern leadership and management.
- And relate them to your own business challenges.

You will learn:

- The Fundamental Concepts of Leadership in Business.
- The 7 Key Tasks of Leadership, Business and Management.
- 5 Underlying Principles that every business leader/owner should know.
- The Heart of Motivation and Influence.
- How to deal with Difficult People.

How to apply these ideas to your own business.

workshop will be delivered by Martin Riley of Re-Bal <http://www.re-bal.com/leadership/about-us/>
